INTRODUCTION

Swiftbrokers, a distinguished insurance brokerage specializing in international healthcare coverage. At Swiftbrokers, we are dedicated to providing the highest level of professionalism in managing global healthcare insurance policies, ensuring seamless, reliable, and customized solutions for clients with an international footprint.

OUR PARTNERSHIPS

We are proud to partner with the world's top five international healthcare providers, including CIGNA, VUMI, April International, and Now Health International. These partnerships empower us to offer a broad spectrum of comprehensive coverage options, allowing us to meet the unique needs of both global organizations and individuals. Our strong relationships with these industry leaders mean our clients receive the best options in terms of coverage, flexibility, and service.

OUR TRACK RECORD

Swiftbrokers has a proven history of managing healthcare policies for clients across multiple countries, providing dependable support and ensuring a hassle-free experience every step of the way. Our commitment to excellence and personalized client approach make Swiftbrokers a trusted partner in international healthcare insurance. We prioritize our clients' peace of mind, offering expert guidance tailored to their needs throughout the insurance process.

NEXT STEPS FOR COLLABORATION

We would be delighted to explore how we can support your international healthcare insurance requirements. To provide you with an accurate quote, we kindly ask you to share the following information:

1. List of members, including name, family status, date of birth, and nationality
2. Current table of benefits
3. Expiry date of the current policy
4. Target rates or budget

OUR TRACK COVERAGES

- Emergency Medical Care: Coverage for urgent medical treatment due to accidents or illnesses while abroad.
- Hospitalization: Costs associated with being admitted to a hospital for treatment.
- Medical Evacuation: Emergency transportation to the nearest suitable medical facility or back to the home country if necessary.
- Dental and Optical
- Maternity
- Organs transplant
- Air Ambulance
- Repatriation & Evacuation
- And much more

International health insurance is essential for expatriates, frequent travelers, students abroad, and anyone seeking comprehensive coverage when outside their home country. These policies can vary by region, the level of coverage, and the specific needs of the insured individual.
