STAY PROTECTED & CONNECTED ON EVERY TRIP

Welcome to the latest innovation from TurkCell! We're excited to introduce a travel package that's designed for the modern traveler who values peace of mind and reliable connectivity.

WHAT IS TRAVEL INSURANCE & DATA ROAMING PACKAGE?

- A complete package that offers travel insurance and data roaming for those traveling outside your country.
- The package is designed to fit your trip duration, so you only pay for what you need.
- Combines peace of mind from travel insurance with the convenience of data connectivity wherever you go.

WHY CHOOSE OUR COMBINED PACKAGE?

1. **All-in-One Convenience**
No need to look for separate travel insurance and data plans—we offers both in one seamless package.
2. **Flexible Plans by Duration**
Tailored to your travel plans, whether it's a week, two weeks, or a month abroad. Choose a plan based on your travel period, such as a 1-week package that includes 3GB of data for browsing, messaging, and navigation,
3. **Safety First**
In addition to data, our travel insurance covers unexpected incidents, so you can travel worry-free.

KEY BENEFITS OF OUR TRAVEL INSURANCE

- Medical Assistance: Coverage for medical emergencies while abroad.
- Medical Evacuation:
- Emergency return to home: Coverage due to death of a close family member.
- Repatriation of mortal remains.
- Trip Protection: Coverage for trip cancellations or delays.
- Lost Baggage: Protection in case of lost or delayed baggage.
- Loss of passport
- Accidental death: Coverage death due to accident during your trip.
- Personal Liability
